

IN LOVING MEMORY OF
Robert Harvey Kreuzscher

July 28, 1937 - March 23, 2010

Bob was born in Beatrice, NE 72 years ago. After graduating from college with a teaching degree, Bob served in the US Navy. He moved from Nebraska to California where he met and married Lorri, his wife of 46 years. Bob and Lorri settled in Bloomington, MN where they raised 3 incredible kids. Bob owned his own business for over 25 years, called Town-Dominium Maintenance and wholeheartedly supported Lorri in her Shaklee business. Bob had many interests: He loved to work on cars and was especially interested in Studebakers. Working with kids in his business gave him great joy. He was a big fan of golfing and many other sports. Bob loved to travel to exciting places. He also loved to call old classmates and reminisce. But the biggest joy in his life was his family ... fishing, family camp, babysitting, ballgames etc. Bob had a big personality with a big heart and was a friend to many; he helped anyone who was in need. He never knew a "stranger". Most of all he knew and loved his Lord and Savior and wore a necklace with the head of Jesus, who he proudly called his "leader". His wife, kids and grandkids will forever miss this very special man. He will be loved and remembered always.

MEMORIAL DESIGNATION

Bob dearly loved helping people in need...it gave him great joy. The Kreuzscher family would like to start a program (perhaps through a church or some other charitable organization), in Bob's name, where funds would go to helping those in need of handyman services such as widows, elderly, single moms etc.
